@fete832studio

We've hosted hundreds of guests for team bondings, field trips, celebrations, and private gatherings across Houston. When you book a private event with Fête 832, the studio is yours. Your group gets a clean, guided, fully hosted experience where everyone creates a one-of-a-kind figurine to take home.

No experience needed. Our instructors walk every guest through each step, so your group can relax, connect, and create together.
